**Sunday, August 20, 2017 11:00 a.m. Lecture Service**

Mara Peters was born and raised in San Diego. Her grandfather's family was from the Pala Indian reservation, while both of her grandmother's were Mexican Indian. Though she was raised a Catholic, with her Native cultural background seeing spirits and having prophetic dreams at a young age was perfectly acceptable to her family. She started her spiritual studies during her teen years by teaching herself how to read cards and learning basic astrology.

Her formal studies started in her late 20's under the astrologer Loretta Tucker. In 2005 her studies moved to the next level with her discovery of Harmony Grove, where she spent the next 3 years studying under Rev. George Maxwell. After Rev. Maxwell's untimely death and looking for a new place to further her studies, Mara found the First Spiritualist Church. Mara truly feels that the First Spiritualist Church is one of San Diego's hidden treasures.

Mara has served the church as a Trustee, Vice President and is now President of the Board. She is an Auric Healer at the Healing Service, and a Reiki Master. Mara completed all required classes and was ordained a Licentiate Minister in December 1, 2013..Her goal is to become an ordained Minister of the First Spiritualist Church and with a true love of spirit, Mara looks forward to continuing her lifelong studies of Spiritualism with her family and friends of the First Spiritualist Church.
