Rev. Robert Anderson was raised in Ohio in a Spiritualist family. Where table tipping was a common occurrence and UFO's were at times observed in the sky.

Music was a constant in his life, as his parents were professional musicians and Rev. Robert has followed in their footsteps. This shines forth in the songs he has written while tuning in with Spirit.

He supports Spiritualist Churches throughout San Diego County with his gifts of Channeling, Mediumship, Healing, Lectures and his heartfelt musical talent.

Rev. Robert's spirit guide, Lena, channels automatic writing of poems and he is a trans-channel for Black Elk and Abraham.

Rev. Robert is a strong, gentle soul and he expresses himself through his music and words from his heart.

He has studied with many local spirituals ministers and was ordained at Grace Spiritual Center in Encinitas.

Rev. Robert will be our "Special Music" this morning.
